Notable features:

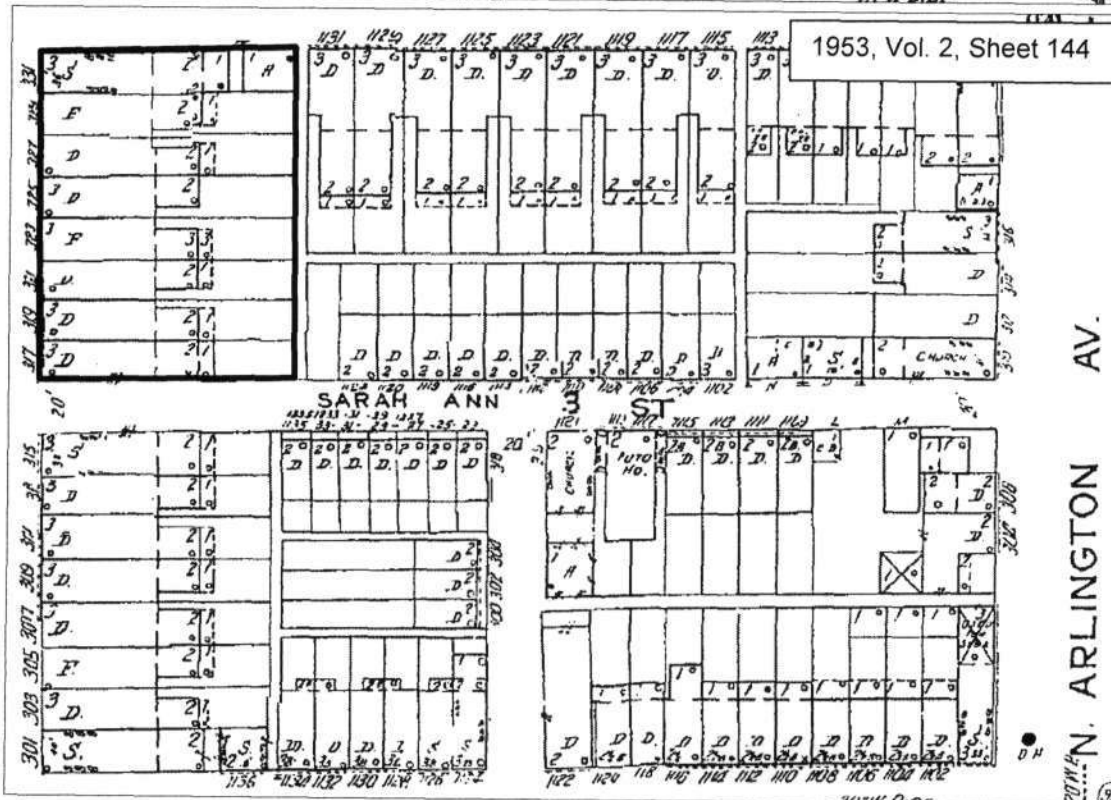

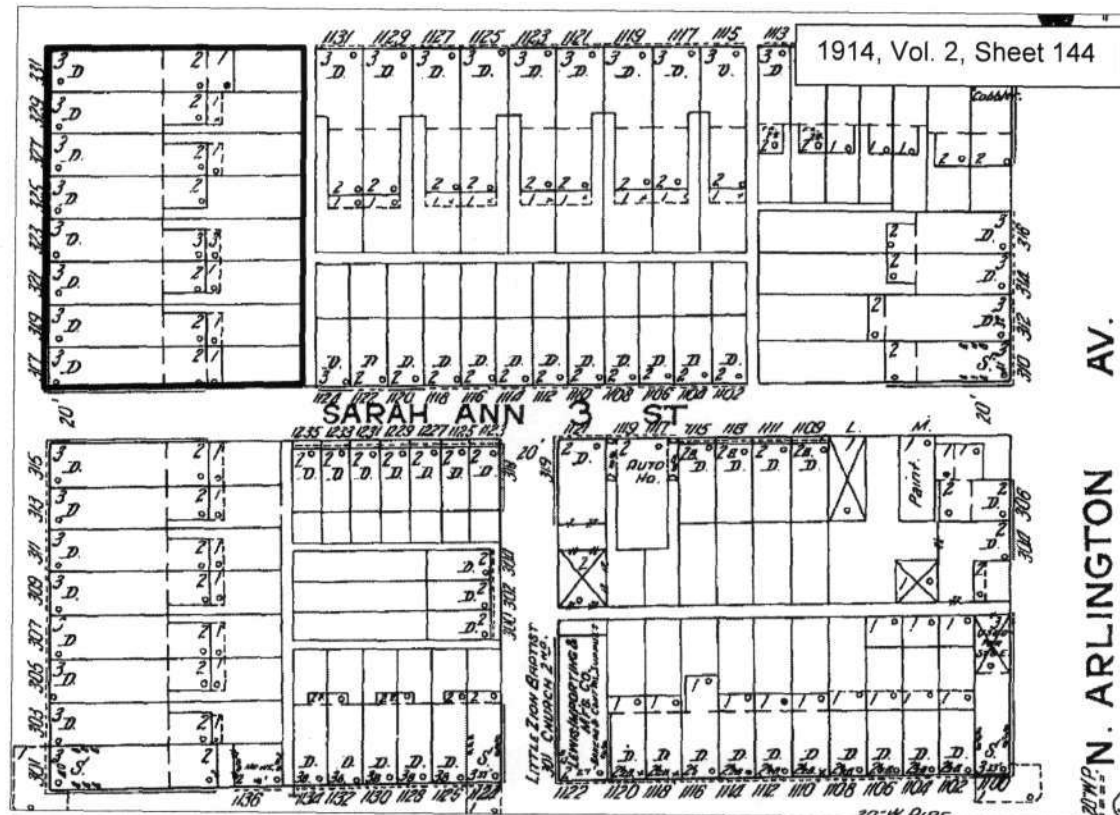

A series of matched houses built shortly before 1876. Numbers 331, 325 and 317 have been formstoned and the loss of cornices at 319-321 when the fronts were rebuilt damages the block, but it is still a presentable terrace, well kept.

Environmental context:

A wide but quiet street with good street trees; well maintained houses on both sides of the street.
